

# CBIT/AEC

AEC / MIDS/2018

Date: 18.08.2018

Time – Table for I – Mid Examinations for B.E & B.Tech 4/4 – I Sem (All Branches) to be held from 23.08.2018 to 25.08.2018.

| Day & Date               | Branch & Year | 10.30 TO 11.30 AM                                   | 2.00 TO 3.00 PM                           |
|--------------------------|---------------|---|---|
| 23.08.2018<br>(Thursday) | Civil         | Design of Steel Structures – II                     | Estimation & Specifications               |
|                          | EEE           | Power System Operation & Control                    | Power Semiconductor Drives                |
|                          | ECE           | Radar Systems                                       | Data Communications and Computer Networks |
|                          | MECH          | Thermal Turbo Machines                              | Metrology and Instrumentation             |
|                          | PROD          | Production Drawing Practice                         | Metrology and Instrumentation             |
|                          | CSE           | Artificial Intelligence                             | Distributed Computing                     |
|                          | IT            | Big Data Analytics                                  | Mobile Computing                          |
|                          | CHEM          | Chemical Process Safety                             | Mass Transfer Operations -II              |
| 24.08.2018<br>(Friday)   | BIO-TECH      | Downstream Processing                               | Bioprocess Dynamics and Control           |
|                          | Civil         | Foundation Engineering                              | Water Resources Engineering-II            |
|                          | EEE           | HVDC & FACTS  | Managerial Economics & Accountancy        |
|                          | ECE           | VLSI Design   | Electronic Instrumentation                |
|                          | MECH          | Finite Element Analysis                             | Operations Research                       |
|                          | PROD          | Modern Machining and Forming Methods                | Operations Research                       |
|                          | CSE           | Data Mining   | OOSD                                      |
|                          | IT            | Distributed Systems                                 | VLSI Technology                           |
| 25.08.2018<br>(Saturday) | CHEM          | Petrochemical Engineering                           | Principles and Practice of Management     |
|                          | BIO-TECH      | Plant Biotechnology                                 | Principles and Practice of Management     |

|                          | BIO-TECH      | Animal Biotechnology                                | Elective – II<br>CB/ GP                   |

Note:

- 1) Students who registered for equivalent subjects meet the HOD's of concerned departments for writing the mid examinations.
- 2) The concerned teachers will conduct Practical Examinations in their respective classes.
- 3) The students are directed to bring their Identity Cards while appearing Internal Examinations; otherwise they will not be allowed to write the examinations.
